

# No Fee Balance Transfer Option

Yes, I would like to transfer the balance of another credit card to my TFCU credit card.

To transfer the balance from other credit cards, complete all information on the form below to avoid a delay in processing. **Balance transfers and/or cash advances may not be used to pay off or pay down any Tinker Federal Credit Union account.** It may take 3-4 weeks to process your request. Therefore, you will still need to make payments on your other accounts to keep them current until your request is completed. You are responsible for closing your other accounts. The total amount of transfer requests cannot exceed your credit line. TFCU sends either full or partial payment to the creditors in the order listed on the form. Balance transfers and convenience checks are applied to your TFCU account as a cash advance, subject to the terms of the Cardholder Agreement and Disclosure Statement. Balance transfers are contingent upon issuance of your account with us. Tinker Federal Credit Union reserves the right to decline to process any balance transfer request.
